Defence Commodity Procurement Opportunity - Expressions of Interest

Registrations still open!

A new and exciting opportunity to supply commodities to the Australian Department of Defence with Toll Remote Logistics is now open on ICN Gateway.

Toll Remote Logistics (TRL) has been contracted as the Fourth Party Logistics (4PL) service provider to source, procure and supply a range of Defence Land Domain commodities across Australia.

Initially, Toll Remote Logistics is looking to cover categories including:

- Vehicle Maintenance Parts & Tyres
- Hardware
- Electrical Supplies
- Batteries
- Tools
- Containers
- Cleaning Products
- Personal Protective Equipment (PPE)

For a complete list of commodity items that are being sourced and to submit an Invitation to Register, please visit:
