Queensland Major Projects Pipeline Report 2018 – Townsville tickets on sale now

The Queensland Major Projects Pipeline is the leading source for all construction activities and major projects – planned, in progress and completed – across our state. Following a successful event in 2017, the Queensland Major Contractors Association (QMCA) and Infrastructure Association of Queensland (IAQ) are partnering with Regional Development Australia (RDA) to deliver a regional spotlight event in Townsville as part of the release of the 2018 report.

This is your invitation to hear exclusive insights direct from report curator and Associate Director for Construction, Maintenance and Mining with BIS Oxford Economics Adrian Hart.

Presented by:

Adrian Hart

Associate Director BIS Oxford Economics

Adrian is a Senior Economist, responsible for BIS Oxford Economics' research and forecasts for building and construction, maintenance and mining across Australia, New Zealand and Asia Pacific.
