The Blue Economy – How to make 21st Century economic development work for everyone

9:00am – 12:00pm, Friday 24 April 2015
Level 1 Enterprise House, 6 The Strand, Townsville

Our special guest speaker is Ms Anne-Maree Huxley, from Models of Success and Sustainability. Anne-Maree is based in Brisbane and presents workshops on The Blue Economy around the world.

As our population grows and resources dwindle, we need to adapt our thinking, the technologies and the tools we use. The latest thought leadership and innovation to achieve economic development, known as The Blue Economy, enables sustainable productivity and growth for virtually every part of the economy. Innovations inspired by nature with zero waste are set to generate 100 million new jobs in the next 10 years.

Join us to discover where your opportunities lie, using what you already have locally, and how to turn them into profits.

Tickets (\$77 per person including the workshop, workbook and tea/coffee) can be purchased at <http://townsvilletickets.com.au/event/1227>
