

**RDA Newsflash – 2 October, 2018**

RDA invites you to attend free workshops on the Australian Government's Building Better Regions Fund (BBRF).

Not-for-profit organisations and councils can benefit from information provided by RDA on the guidelines and making strong applications.

The Building Better Regions Fund program includes two streams - Infrastructure Projects and Community Investment, both closing on 15 November, 2018.

A key component under Round Three is that up to \$45 million has been earmarked for tourism related infrastructure projects that will help stimulate local economies by investing in the tourism sector.

RDA invites you to the following free workshops:
